

Tracks/Topics

Civil Engineering :

- Chemicals in Construction Industries
- Use of Biotechnology in Construction Material
- Software Orientation in building design
- Earned Value Analysis, See page assessment of building
- Green Building Construction

Electrical, Electronics & Telecommunication :

- Application of Nanotechnology in Electronics
- Emerging issues in 3G & 4G Network
- MEMS & Wireless Sensor Network
- Electromagnetic interference & Compatibility
- Optical & Mobile Communication

Mechanical Engineering :

- Advanced Materials in Automobile Sector
- Nanomaterials
- Vibration and Noise Controls
- Advanced Manufacturing Processes
- Modeling, Design & Prototyping

Computer Engineering :

- Cloud Computing & Networking
- Mobile Communication and Wireless Network
- Big Data Analysis and Management
- Forensics and Network Security
- Internet of Things

Submission Procedure and Guidelines :

Plagiarism is strictly prohibited only original research article will be accepted & published.

Papers will be accepted by email id : ncct2018@gmail.com

Simultaneous submissions (papers already submitted to other conferences/journals) are not allowed. All papers must follow strict IJREAM formatting instructions.

CONVERGENCE OF TECHNOLOGY

23rd & 24th February 2018

Sponsored by

**Savitribai Phule
Pune University,
Pune**

Organized by

**Vishwabharati Academy's
College of Engineering,
Ahmednagar**

About the College :

Vishwabharati Academy's College of Engineering and Polytechnic (VACOEP) is a well known premier institution established in 2007 by a group of dedicated and divisionary educationists. The institute is Approved by AICTE, New Delhi, DTE Mumbai & affiliated to Savitribai Phule, Pune University, Pune. The institute is located on a hill to provide a panoramic view of the valley around and about 6km away from the Ahmednagar. Institute having 21.5 acre of landscape area. The College offers undergraduate (UG) Programs in Civil Engineering, Computer Engineering, Electronics & Telecommunication Engineering (E&TC), Mechanical Engineering, Mechanical Sandwich Engineering, The Post graduate (PG) Programs offered by the college include Computer Engineering, E&TC (VLSI & Embedded) Mechanical Engineering (Design Engineering). The Polytechnic run by VACOEP, Ahmednagar offers courses in Civil, Mechanical and Electrical Engineering.

Department of Civil Engineering :

The department aims to mould students knowledge into engineering professionals by introducing new techniques in civil engineering (Environment, Water, Structure, etc.) Department has awarded as **Centre of Excellence by CIDC** (Construction Industry Development Council Accredited by Planning Commission, New Delhi).

Department of Mechanical Engineering :

Mechanical Engineering Department boasts of quality input of students, good interaction with industries for providing the right exposure to students. The department is involved in active research in Mechanical Design, Automobile, Other etc. Department is also awarded as **Center of Excellence by Niyo Technology**.

Department of Electrical, Electronics & Telecommunication Engineering :

The department has strong research group in digital signals, VLSI Design and Embedded Systems. Department has conducive working environment for teaching learning, R&D services. Department is awarded as **Centre of Excellence by CoreEL Technologies, Bangalore**.

Department of Computer Engineering :

The department with the passage of its evolution and growth has succeeded in creating its place of excellence not only within the college but among its counterparts in the country. It has been attracting bright students from all parts of the country for quality education in computer at undergraduate & Postgraduate.

Department of Mechanical Engineering sandwich :

Mechanical Sandwich course has unique feature that it provides one year industrial experience during academic.

About NCCT 2018

Conferences such as VISHVOTECH - 2014 ICITDCEME - 2015 & NCCT - 2017 are the previous well known event of college. NCCT 2018 is just way to continue tradition with purpose to inculcate research attitude within student community. The conference will include invited talks and paper presentation.

Call for Papers

The National Conference on Convergence of technology (NCCT 2018) is the premier forum for the presentation of new advance and research results in the field of computer, Mechanical, Electronics, Mechanical Sandwich, Civil Engineering. The Conference will bring together leading Researchers, Engineers and Scientists in the domain of interest around the nation. Best Paper Award given to authors selected by Session Chair. Topics of interest for submission include, but are not limited to :

CHIEF PATRON

Hon'ble Shri. S. V. Khanapure
President, Vishwabharati Academy Trust.

PATRON

Hon'ble Shri. K. B. Patankar
Founder Secretary, Vishwabharati Academy Trust.

HOST ADVISORS

Hon'ble Shri. U. O. Paprunia
Executive President, Vishwabharati Academy Trust.

Hon'ble Shri. N. G. Shabade
Vice - President, Vishwabharati Academy Trust.

NCCT CHAIR

Dr. J. C. Burse
Technical Director, Vishwabharati Academy COE, Ahmednagar.

CONVENER

Dr. Bhupal Kumar
Principal, Vishwabharati Academy COE, Ahmednagar.

Advisory Board

Dr. P. D. Patil
